

## Blind VB

1. This is a luck of the draw tournament. A male and female will sign up together. On Sunday, they will be placed with 2 other couples to create their team.
2. 6 players on a team
3. Tarps will be placed over the net, so you cannot see the other team.
4. No male may spike a ball completely above the height of the net (they may tip, block, or push the ball). Females may attack a ball above the net.
5. Servers must wait for the whistle before serving
6. A match will consist of 1 game to 25
7. It is a double elimination tournament
8. Each duo will pay an entry fee of \$5. Winner take all.
9. The tournament will start at 2:00. I will allow up to 9 teams (so a total of 27 couples). Each match will last about 15 minutes. This will allow the tournament to end about 6:00.
10. The idea of the tournament is to have fun, not get hurt, and meet some new people.
